

Beacon COVID-19 Mobile Testing Clinic

Update 6/27/20

Who can be tested at the clinic?

- COVID-19 mobile testing clinic will serve Elkhart and St. Joseph counties to test individuals who have symptoms that are associated with COVID-19

Do I need a doctor's order?

- Individuals do not need a doctor's order to be tested. However, they will be screened to determine if they are experiencing COVID-19 symptoms and are appropriate for testing

What is the cost? Do I need insurance?

- Participants should bring government or state issued photo identification (or city of South Bend-issued identification) and medical insurance information. However, insurance is not required; testing will be provided for free for individuals who are not insured

How will I get my results after I attend a Mobile Unit location?

- Within 3-5 days, Beacon will be contacting you at the phone number you provided. If they are unable to reach you by phone a letter will be mailed to your home address

What should I do while I'm waiting for my COVID-19 results?

- Self-quarantine until symptoms are better and you are fever-free for 3 days without medication.
- If you develop new symptoms or your symptoms get worse, please contact **Beacon AnswerLine** at **855.523.2225** between 8 a.m. and 8 p.m. (7 days a week)

If I have questions before for after I attend a Mobile Unit location, who should I call?

- Patients should contact their primary care provider or **Beacon AnswerLine** at **855.523.2225** between 8 a.m. and 8 p.m. (7 days a week) with questions

Testing locations and times through 7/10/20, additional dates will be announced soon:
